Dear Larry:

Happy New Year! The hustle and bustle of the holiday season has passed and we have been able to reflect on the blessings that we were able to share with those less fortunate.

We are challenged more than ever to meet the needs of those in our community, however, we continue to be overwhelmed with the outpouring of generosity from others, such as yourselves, who are willing to help. Thank you for sending your students over to help with our distribution.

This year, we were able to provide food for 800 families and toys for over 1756 children. This could not be accomplished without the continued support and generosity of those throughout Trumbull County who help us help others.

We look forward to a healthy, prosperous, blessed New Year!

Blessings,
